** JOB: #ADMN1900506 CONSTRUCTION - TREDEGAR LAKE PARKWAY EXTENSION - REBID **

Due: 7/17/2019 02:30 PM.

** SCOPE:** This project is generally described as the Parkway Extension of approximately 800’ to the east to serve a proposed economic development project. The proposed roadway extension consists of 24, to 36’ pavement width for Tredegar Lake Parkway with curb and gutter, sidewalk, driveway connection, including associated grading, erosion control, and drainage structures. The project will also include modifications to the existing Parkway and Waterford Lake drive intersection as shown on the plans. The work will include clearing, erosion & sediment control, grading, asphalt paving, drainage structure, concrete installation, signage, pavement markings, adjustment of utilities and other items necessary to complete the work. As an alternate bid, the construction also includes utility work that consists of approximately 800’ of water line extension and adjustments and approximately 700’ of sanitary sewer line extension and adjustments.
